**NLGA - 9**

A big congratulations to our 9-WDGA South team match winners - Ellen Barnes, Carol Wink, Rhonda Monzeglio and Charlotte Tapman. Some time in August these ladies (minus Charlotte) will play the winners of the North division for the team match championship. Unfortunately, Charlotte had a severe injury to her leg while having a nasty fight with a wheelbarrow. She is out of commission for the rest of the golfing season. Charlotte misses golf as much as we miss her.

Thank you to Ellen Barnes and Carol Lonegro, chairpersons of our 9-WDGA Invitational that was held recently. We had lovely weather, good golf (although the ladies could not believe that our back nine is so difficult) and great food. Ellen had lots of help as we all had a job in preparing for the tournament.

Our Member/Guest was also held in July. Connie Onley and Vicki Hooper planned this event and though our numbers were small, we had a lovely day on the course. Thanks so much ladies.

We all must take time to thank Dave and his crew for keeping the golf course in such good shape during this hot, dry time. So, please if you see one of the guys, tell them how much they are appreciated. Hopefully, soon the skies will open up with some much needed rain.

Enjoy the remainder of the summer and stay cool.

## 18 HOLE NLGA

By: Vickie Blades

July was a busy month for the 18 Hole ladies. Special thanks to Renee Shettle for coordinating the Fun Day with 36 golfers from Green Hill, Nutters Crossing, Ocean City, Great Hope and Captains Cove. Everyone had a great time.

On July 14th, we hosted our Member/Guest with 20 players. The theme was "Sign of the times-empty pockets." Everyone went home a winner. Special thanks to Michele, Jack and John and the greens crew.

Our President Cup has started and the final play will be July 29th. This event was chaired by Diane Gillis, who also will be coordinating the club championship in August.

We will also be hosting a WPGA event September 23rd. This event will be open to all clubs that are members of the WPGA.

The course is in excellent condition. Special thanks to David and his crew for all their hard work.
