NLGA - 9

By: Jennie Owen

Wow, what a year we have had. Nassawango
has won all the championships that the 9-WDGA has.
Our team won the championship for the team matches,
which I mentioned in the last newsletter. Now we can
claim the champion and runner-up of the organization.
Carol Wink won the championship and Rhonda
Monzeglio was the runner-up in the championship
division. The tournament was held at Prospect Bay on
September 23, 2009. We couldn't be prouder; for a
club that only has nine 9-hole ladies, we feel like this
is a great accomplishment. CONGRATULATIONS
LADIES!!!!

The 9-WDGA annual fall meeting will be held
Wednesday, November 4 at Ocean Pines. The execu-
tive meeting begins at 10:00am and the general meet-
ing begins at 11:00am. I hope that all the team mem-
bers and our championship ladies will be able to
attend. We want to show you off.

Our end of the season luncheon will be held at
the club on Sunday, November 8, 2009 at 1:00pm. We
will give out awards at this time, have lunch and plan
for next season. Where does the time go, seems like
we just started play a few weeks ago.

Hope everyone has a pleasant winter and a safe
and happy holiday season. See you in the spring.

NOTE:

***This newsletter was mailed due to several
important upcoming events. (See attached
flyers.)***

NASSAWANGO NEWS LETTER: OCTOBER 2009

18 HOLE NLGA

By: Vickie Blades

September has been a wonderful month for golf and with the coming of fall, we look forward to great golfing in October. Nassawango becomes picturesque in the fall when the leaves turn. It is hard to concentrate on golf with the beauty of the course.

On September 23rd, we held our Senior Fun day or Old Bag Tournament as I have been told it used to be called. We were very happy to have Lola Bradford, Barbara Merritt and Mary Houts join us. The format was unusual and fun. Diane Gillis won low putts with 29. Ann Bruning and Renee Shettle were the only ones who beat John, our Assistant Pro. John had to hit from each ladies tee shot and found out it is not so easy to play Hole 17 from a ladies prospective. He especially liked the free throw out of the sand trap. Special thanks go to John for being such a good sport and making this an interesting hole. As usual, Michele provided a great lunch.

The WPGA rerated Nassawango and we are now sloped at 131 with a course rating of 73.3. This makes us

the hardest sloped course on the shore. This rating not only affects your play at Nassawango but also when you go to other courses. As you play in tournaments, you will see that your index and handicap will change according to the slope of the course you are playing.

We are looking forward to the fall weather and golf. David and his crew get special thanks for a great job.

Dates to remember:

October 28th - Fall Breakfast Meeting
December 4th - Annual Awards & Christmas Party

Happy Golfing!!!!

FROM THE GRILLE
